

# Mission & Aims Statement

## Purpose

The Langthorne Institute of Languages exists to provide students with a wholly online, face-to-face, quality language learning experience. We offer students qualified, experienced, and supportive teachers who deliver a personal, affordable and most importantly, fun approach to learning. Tailoring the online experience and meeting language learning expectations helps us to fulfil our overall purpose.

## Mission Statement

To provide students with an excellent, effective, and efficient English Language learning journey. The Langthorne Institute provides affordable English Language courses and recruits qualified professional staff to deliver these classes. We ensure that all classes are rewarding and enjoyable and that all our students improve their English language skills. Students will also gain an insight into British life, values and culture whilst also enhancing their knowledge and understanding of other cultures.

## Aims

*In all our endeavours we aim to:*

- Provide a fulfilling language journey for our students.
- Provide a structured programme of work ensuring a broad balanced curriculum which is thematic and engages our students.
- Provide equality of opportunity for all students without harassment or prejudice.
- Ensure high quality service provision.
- Be honest, fair, ethical, responsible and professional.
- Show value and respect for everyone.
- Promote core British values of democracy, individual liberty, tolerance, and the rule of law.
- Provide a safe work and study environment.
- Be respectful of and responsive to the needs and expectations of our students and partners.
- Provide excellent value for money.
- Grow the business as an online school / venture.
- Address the needs of each individual student working towards his/her full potential.
- Develop a sensitivity to the needs of both self and others.
- Enhance the reputation of English language provision in the UK.
